ACHIEVEMENTS

Earn achievements as you network with others – achievements grant you experience points and levels, and can be displayed on your profile!

LEADERBOARDS

Climb the leaderboards versus your peers, the top students with the highest XP and levels will be shown on the leaderboards page for all to see!

QUIZZES

You can create a quiz consisting of five multiple-choice questions for others to complete! You can also view and take part in quizzes made by other people.

SOCIAL WALL

Post notes, videos, images and quizzes to your social wall! Your feed also displays the recent posts of your friends.

CONNECTIONS

Connect with others in the reconnect network! You can search via username, hobbies, and interests, to find users with similar interests to you.

A student network which promotes interaction within the University of Exeter's student community. This aims to provide social opportunities by encouraging students to engage with each other in a fun and friendly online environment.
